

Welcome and welcome back families! We are so excited to have you here as part of what we call the "Bracken Family". First off let me introduce myself. My name is Lisa Plyman and I am your Parent Volunteer Coordinator. Yes, it's a new position. We do not have a traditional PTA, or PTO here at our school. There is just you and me. My job is to inform you of upcoming activities, train you with the equipment here at school and recruit you for various projects throughout the school year. There are many ways for you to become involved in your student's education. Volunteering here is one of the best. When your child sees you working here at school they know that you are serious about their education. I started off as a parent volunteer here and have been volunteering ever since. There are many ways in which you can be involved:

- Field trips
- Story and Snack
- Literacy Nights
- Work in the Parent Volunteer Work Center
- WATCH DOGS
- Field Day
- Gardening
- Sewing
- Painting
- Building Projects

If there is something else that you would like to contribute with, just let me know. We are always looking for help and your donations.

Be sure to check out the Volunteer Website that was created just for you.

I look forward to seeing you around school real soon.

Lisa Plyman
